Re: Contract OS-100

Dear [REDACTED]

A review of the records does not show an answer to our request as stated in letter number 17674 dated 25 July 1957.

This concerns a request for the travel claims of [REDACTED]. These individuals were given funds prior to their departure from [REDACTED] - [REDACTED] \$500.00 and [REDACTED] \$150.00, for expenses to be incurred in traveling to California.

These two accounts have been outstanding for a period longer than is desirable and it is requested that the claims of these two individuals, as requested on letter number 17674, be forwarded to this office, or a check in the amount of \$650.00 made payable to [REDACTED] be forwarded in settlement of the outstanding balance.

Very truly yours,

Doug
